- MySQL - for system designing, implementing, and maintaining relational databases
- Graphic Designing: **Adobe Photoshop, Adobe Illustrator and Afinity Publisher**
- **Git**

ACADEMIC QUALIFICATIONS

Bachelor of Science in Information Systems (CREDIT)
University Of Malawi: | 2018 - 2023. Pending Graduand

FOURTH YEAR

ICT Project | Information Technology Audit and Controls | Mobile Applications Development

Information Technology Practice and Consultancy | Project Management | Internet Governance

Geospatial Computing | Cloud Computing | Research Methods and Ethics in Computing

Strategic Business and IS Management

THIRD YEAR

Information Technology Service Management   Management Support Systems Software Engineering   Entrepreneurship – Theory and Practice   Human Computer Interaction Information Management for Business   Computer Security   Computer Networks   Linux Systems Administration   Object-Oriented Systems Analysis and Design

SECOND YEAR

Foundations of Information Systems   Web Design and Development   E-Business Techniques Enterprise Architecture   Operating Systems   Advanced Computer Programming   Database Systems   Foundation of Probability and Statistics   Statistical Hypothesis Testing   Introduction to Mathematical Computing

FIRST YEAR

Introduction to Computer Science   Introduction to Computer Programming   College Algebra Trigonometry and Elementary Calculus   The Statistical System   Language and Communication Skills   Contemporary Human Geography

Malawi School Certificate of Education (MSCE)
Maranatha Academy: 2017 - **Aggregate of 12 Points**

EXPERIENCES

- **Designed and Developed Collaboratively "Uchikumbe"**
  An Agricultural platform for farmers in Malawi. Technologies used include **React, Tailwind and Sanity.io (uchikumbe.vercel.app)**

- **Computer Studies Teacher (Form 1 - 4)**
  Faith Private Secondary School: 2022

- **Graphic Designing and Branding -** From 2017 - Present

- **UI/UX Designing -** From 2022 - Present

CERTIFICATIONS

- **Introduction to Cybersecurity -** Cisco Networking Academy
  Cyber Best Practices   Cybersecurity   Network Vulnerabilities   Privacy and Data Confidentiality   Threat Detection

- **Network Defense -** Pending

HOBBIES AND ABILITIES

Ability to work under minimum supervision   Programming   Hiking   Graphic
Designing   Watching and following   Mobile phone / Laptop technologies trends   Android
tweaks (Using ADB)   Reading tech Blogs   Professional intergrity
